

Remarks

Applicant has canceled claims 1 and 3-11 in the instant application such that the rejection of said claims under 35 USC §102 and 25 USC §103 are moot.

Applicant has canceled claim 33 and has amended Claim 34 to properly depend from Claim 29 as suggested by the Examiner such that the double patenting objection with regard to Claims 29 and 33 is now moot.

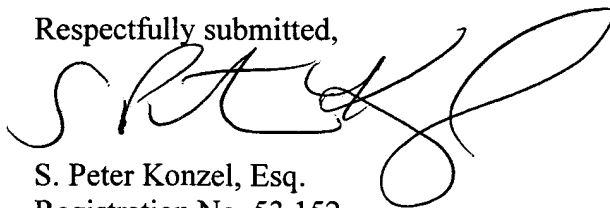

Applicant has amended Claim 42 to overcome the rejection under 35 USC §112, for lack of proper antecedent basis.

Hence, Applicant respectfully submits that Claims 29-32 and 34-43 are now in condition for allowance.

Conclusion

In view of the above amendments, Applicant respectfully submits that the above-identified application is now in condition for allowance, which action is courteously requested.

Respectfully submitted,
